

BP 64E Cheque Printer

New BP 64E Cheque and Document Printer encode and print cheques or documents "On Demand".

BP 64E is a perfect printer for Banks, Financial Institutions, Security Document Printing Companies, Property Management, wherever high quality and security printing is required.

BP 64E interfaces with an IBM compatible PC to store data. The format and text can thus be changed as required.

BP 64E can be delivered with 1 - 8 individual printing stations. Minimum configuration will be with one MICR/OCR encoder, and Maximum configuration will be with one MICR/OCR encoder + 7 individual printstations for printing personalised cheques or documents.

For the purpose of security and to prevent Fraud, ribbons with different security ink may be used in one or all the 8 impact printing stations.

BP 64E takes maximum advantage of the available technology providing a powerful production environment for pre-encoding and personalisation of cheques or value documents.

Advantages

- Speed control
- Unlimited number of document formats
- Easy data base design
- Selection of fonts for MICR or OCR
- Maximum security with passwords
- Easy to maintain and service
- Flash Programmable
